NOTICE OF COVERAGE DETERMINATION — REQUEST DENIED

Requested medication: **Vyvanse (lisdexamfetamine dimesylate) 50 mg capsules**, quantity 30 per 30 days.

Determination: Your plan has **denied** coverage for the requested medication. This medication requires **step therapy**. Our records do not show a documented trial and failure of the preferred formulary alternatives. Before Vyvanse can be approved, the member must try and fail (or document intolerance/contraindication to) at least TWO of the following: generic amphetamine-dextroamphetamine (mixed amphetamine salts), methylphenidate immediate-release, or atomoxetine.

Estimated member cost if filled without coverage: approximately \$320.00 per month.

Your right to appeal: You may request an internal appeal within **60 days** of the date of this letter (on or before **August 21, 2026**). Submit a written appeal with any supporting documentation from your prescriber to the Appeals Department at the address above, or call Member Services at **1-800-555-0199** (TTY 711). An expedited review is available if a delay could seriously jeopardize your health.

Sincerely,
Pharmacy Utilization Management
