Plan: UnitedHealthcare Choice Plus (Marketplace / ACA)

Prior Authorization #: PA-UHC-88213 **Reference:** RX0463127

Prescriber: Alan Whitfield, MD — Lakeshore Family Medicine

PRIOR AUTHORIZATION DECISION: NOT APPROVED

Requested drug: **Wegovy (semaglutide) 2.4 mg/0.75 mL pen injector** — for chronic weight management.

Reason for denial: The request does not meet the plan's medical necessity criteria for coverage of anti-obesity medications. Coverage requires documentation of ALL of the following, which were not received: (1) BMI ≥ 30 , or ≥ 27 with a weight-related comorbidity; (2) participation in a comprehensive lifestyle modification program for at least 6 consecutive months; and (3) a documented trial of a preferred formulary alternative (phentermine) unless contraindicated. Because these criteria were not met, the request is denied as not medically necessary under the plan.

Billed amount for a one-month supply: \$1,349.02.

Appeal rights: You or your representative may file an internal appeal within **180 days** of receiving this notice. If we uphold the denial, you may request an independent external review. To appeal, write to the address above or call **1-866-555-0142**. A statement of medical necessity from your prescriber will help your appeal.
