Patient: Elena Rossi **Member ID:** U••••9012 **Plan:** Cigna Open Access Plus (Employer)

Case / Auth #: PA-CIG-703355 **Prescriber:** Omar Haddad, MD (Rheumatology)

COVERAGE DENIAL — FORMULARY EXCLUSION

Requested medication: **Humira (adalimumab) 40 mg/0.4 mL pen**, for rheumatoid arthritis.

Decision: Coverage is **denied**. Effective this plan year, Humira is **excluded from the formulary**.

The plan covers the preferred alternative **adalimumab-adbm (Cyltezo)**, a **biosimilar**. Your request for a **formulary exception** to continue brand Humira was reviewed and **not granted** because the submitted information did not establish that the preferred biosimilar would be medically inappropriate, ineffective, or cause an adverse reaction.

Member responsibility: If filled as written (non-formulary), the plan will not contribute; estimated cost is **\$6,922.00** per month.

Appeal: You may appeal this decision within **180 days**. If your prescriber believes the biosimilar is not appropriate, a letter of medical necessity describing prior therapy, response, or contraindications should be submitted. Write to Pharmacy Coverage Review at the address above or call **1-800-555-0164**. You may also request an expedited appeal for urgent situations.
